late response but i m glad i attempted to look for an end of act 2 non spoiler for this exact quest a bit disappointed the game directed me to the mausoleum first ex finding a something to find out

i made and posted a checklist for act 2 so if you want that one go to my profile this checklist helped me sooo much during act 3 because it s so overwhelming

been here since act one and this has been and will continue to be by far the best doki mod there is for all of its well thought out story details art jokes characters setting sound design music so please

act 2 in particular could have definitely used a bit more sources of exp early on imo would have given players a bit more slack in terms of what order they do things

apr 16 2024 this in theory allows fast travel back to act 1 perform a long rest in act 1 to potentially break the silence effect and have a possibly glitched minthara in your party ready to cast spells
