[illegible]

the only upshot is when i unscrewed the regulator the last twist there was a blast of gas guess i will wonder which lost more gas the slow leak or the blast at removal from the tank

i recall a discussion on the blackstone grill and changing out the regulator it comes with for more heat

vent cap showdown daisy vs smokeware vs reggulator which is best my winner is

i have a large bqe with a cast iron reggulator vent cap it is not the daisy wheel style but the newer one

thanks no worries welcome to the egghead forum a great place to visit and packed with tips and eggspert advice you can also join the conversation and get more information and amazing kamado

here's the regulator at the house and the line I'd like to connect to would I just remove the line with regulator that goes from the blackstone to the 20lb cylinder and go straight from the quick connect

however what is the oe regulator psi i see the bayou classic is 10 psi heating quicker may in fact be more convenient but ever stop and

think slower may be better heating steel carbon steel cast iron

i ve seen a new regulator on a youtube video under the title of big green egg new accessories 2018 i would like to purchase the new regulator however i can t find any additional information does

just looked at new eggs and saw that there was gasket material around the top of the chimney between the egg and the daisy wheel or cap
